Sir Francis Drake

1544-1596

Drake was an English sea captain, privateer, naval officer, and explorer. He was the first Englishman to circumnavigate the world, and he was the first Englishman to sail around the Americas.

Drake was a privateer, which means he was a sailor who was authorized by the English government to attack and capture ships from other countries.

Drake was a privateer, which means he was a sailor who was authorized by the English government to attack and capture ships from other countries.
